

**RE Proficiency**  
-Knowledge of hinge-points of Christianity- God, creation, incarnation, gospel, salvation, kingdom of God  
-Knowledge of other principle world religions

Our RE curriculum aims to prepare children for the wider world by developing their spiritual, moral, social and cultural development. It promotes respect and open mindedness towards others with different faiths and beliefs and encourages pupils to develop their own sense of identity and belonging through self-awareness and reflection. We strive to ensure that the lessons we deliver achieve the aims of the SACRE agreed syllabus. Our principle aim within RE is to engage pupils in an enquiry approach where they can develop an understanding and appreciation for the expression of beliefs, cultural practices and influence of principle religions in the local, national and global community. We believe in the curious child and encourage our children to ponder, ask questions and find out answers to big questions for themselves, reflecting on that which they have discovered..
