

14th July 2021

Dear Parents and Carers,

I am writing, on behalf of the Governing Body, to thank you for your support and cooperation throughout this last most challenging school year.

We are fully aware of the impact of repeated disruptions to your children's learning and to your normal family routines as the school has responded to national directives. We, and I am sure you, have recognised and appreciated the outstanding commitment and effort of the school staff team – teaching and support staff – to offer and provide continued learning, going above and beyond their normal roles and doing their absolute best to engage with and support every one of our children during the difficult periods of home learning and lockdown, and subsequent safe return to school.

We are very lucky to have such a fantastic, dedicated and caring team.

The transition back to in-school learning was handled with great care and wellbeing has been, and will continue to be, at the centre of the recovery plan.

We all hope that school will be running more normally when the new term begins in September.

Wishing you all a relaxing and healthy summer, and I look forward to working with you all next year.

With best wishes,

John

John Miles, Chair of Governors
