

Newsletter 3

Dear Parents

Thankyou to everyone for all your support this term, from attending our harvest celebrations, to reading regularly at home with your children, to those who donated for our 'Hello Yellow' Youngminds fundraiser for world mental Health day. We raised £110.00.

Thankyou also to the PTA who have very kindly facilitated Year 5 having

print workshops from Mrs Young last week...they were amazing and we are going to work out what to do with the amazing artwork created from it!

It has been a long term and the children are really ready for a break, so please have a great holiday and we will see you back in school on Monday 4th November! Please look out for the class newsletters early next term which will outline children's learning up until Christmas.

Children's Autumn Holiday

Workshops

Taking place at Lower Stock Farm, Wrington on 29th, 30th and 31st

October 9-3pm suitable for 6-14 year olds, £36 per day

Children's Occupational

Therapy Advice Line

Do you have any questions about a child or young person's ability to carry out daily tasks and activities? Such as finding it difficult to use cutlery, struggling with zips and buttons, finding handwriting difficult and tripping over easily. There is an occupational therapy advice line which is open to parents, carers, schools, nurseries and healthcare professionals on the first and second Tuesday of each month from 2pm-4pm. 01225 826659. This service starts from November 5th.

Open the Book

The Open the Book team presented the Bible story Cornelius, Acts chapter 10. There was a Roman soldier, Cornelius, who lived in Caesarea. He was a religious person and

Volunteer at Lifeskills

Year 6 took part in the Lifeskills workshop at the Create Centre this week. Volunteer guides take small groups of children around the “realistic village” to experience a number of difficult or dangerous situations. Children then work together to decide how to overcome each problem and have the opportunity to learn from their mistakes in a safe environment. Lifeskills are always looking for new volunteers. If you, or anyone you know, are interested in helping children to live safer and more independent lives by volunteering at Lifeskills please follow this link [Volunteering at Lifeskills](#) or email volunteer@lifeskills-bristol.org.uk

Parent Consultations

Parent Consultations are 12th and 14th November. We will email details of how to book for these at the beginning of next term.

always kind to those in need. One day an angel appeared to him and told him to send for the apostle Peter. In Joppa, Peter was having a vision and saw a sheet with many unclean animals. A voice told Peter to get up and eat but Peter refused as he said he never eaten anything unclean by Jewish Law. Peter heard a voice say, “do not call unclean what I have made”. When Peter woke up he knew God was telling him something. Cornelius’ men arrived at the house to find Peter. Peter went with them and realised that even non Jewish people could receive salvation. Peter taught Cornelius about Jesus and Cornelius and those around him were baptised. Peter and Cornelius learned no one is excluded from God’s love or salvation if they have faith in Jesus.

Parents evening	Tuesday	12 th November	3.30-6.30pm
Parents evening	Thursday	14 th November	3.30-6.30pm
PTA Disco	Friday	15 th November	

Celebration Assembly Certificates

<u>Lion Reception</u>	<p>Levison and Ronnie- for really impressing us this week with their reading! Both of the boys try so hard in phonics every day and have now learnt lots of sounds which they can now blend together to read words independently! Well done Levison and Ronnie!</p> <p>A big well done to the whole of Lion Class for their Harvest Performance this week! We haven't been in school very long at all and everyone was so brave to stand up in the church and sing to a big audience!</p> <p>Felix- for working so hard at school and at home with his phonics! Felix has already learnt all of the common exception words we need for phonics this term and he is working so hard with his blending- we can give him his first reading books with words! Keep up this hard work Felix!</p>
<u>Leopard Year 1</u>	<p>This term Joe has been showing me what an amazing mathematician he is. He always puts 100% effort into his work and sets a brilliant example to the rest of the class. Well done Joe!</p> <p>Ivor has done a brilliant job of settling into Leopard class. It can be hard to start a new school half way through a term but he has been so brave and made lots of new friends. Well done Ivor it has been a pleasure to have you join our class!</p> <p>Cole has been putting so much effort into his learning over the last few weeks. He has completed some brilliant English work and is doing a great job of using conjunctions in his writing. I can tell he has been listening to what we've been learning and applying it to his work. Well done Cole!</p> <p>Finley has settled into year 1 brilliantly and has been doing some excellent writing. He is always so excited to show me his work and I can tell he is always proud of what he has achieved. Well done Finley, keep it up!</p>
<u>Panther</u>	<p>Isla you have been a super star this week. It has been wonderful to see your focus and enthusiasm for learning and to watch you being such a great friend to others. Keep up the great work.</p>

Winford C of E Primary School - Together we Flourish

‘I have come that they may have life and have it to the full’ John 10:10

<p><u>Year 2</u></p>	<p>Well done James on a great week. You have worked so hard and been a brilliant geographer finding out about the United Kingdom and sharing your knowledge with others. Keep it up James.</p> <p>Casey I am so proud of your writing this week. You have worked really hard on your handwriting; to make your writing smaller and keep it on the line and what a difference it has made. Keep it up.</p> <p>Mariella you have worked really hard this week. You have shown great focus and resilience and I have been really impressed with your reading. Keep up the good work.</p>
<p><u>Tiger Year 3</u></p>	<p>Well done to Max, Will D and Jesu for going that extra mile in their writing this week, focusing on our new text 'Leon and the Place Between'. The task set was to create expanded noun phrases to improve the sentences and to change the verb to a more exciting one, however, they also added in an adverb to enhance their verb. I was so impressed with their proactiveness and this created an even better piece of writing. Well done!</p> <p>Edith, I am very proud of the ownership you have taken in your learning of Maths this week. You have been asking great questions to ensure you understand the concept taught and you have been independently selecting the appropriate manipulatives to use to help with your work. This is demonstrating the independence, organisation and expectations that have been set out for Year 3. Keep this up, Edith!</p> <p>Billy, you have made the biggest effort this week to be a model student. You are giving me your full attention, trying your best in your work but, most importantly, making very good decisions. I am so proud of all the positive changes you have made. It is so wonderful to see you being your best self! Well done, Billy.</p>
<p><u>Jaguar Year 4</u></p>	<p>We've been working very hard on presentation and hand writing this week in Year 4 and the children's determination to produce fantastic work has been amazing. Jake and Walter have been hyper-focussed and concentrated well in each literacy lesson and as a result, they've been awarded their pen licences! Well done and keep up the neat work!</p> <p>George has put together some fantastic instructional writing for how we begin our morning in Jaguar class. He listened well and used both fronted adverbials and imperative verbs to make sure his instructions were clear and easy to follow.</p> <p>Bobby has been working very hard this week on his handwriting. He's been spending time carefully forming his letters and making sure they are all the same size. Great work Bobby!</p>
<p><u>Lynx Year 5</u></p>	<p>Akira has been putting in lots of extra effort into her learning at home. She has written stories to share with the class, fact files about slums (to link with our Geography) and done extra Maths. Well done Akira, I love your enthusiasm!</p> <p>Lola works hard in every lesson and always tries her best. She listens and responds in class brilliantly, setting a great example for those around her. Her work is always neatly presented and of high quality. Keep it up!</p> <p>Freddie has really impressed me with his focus and enthusiasm this week in our English lessons. He has worked hard to write his own science fiction story. It is great to see him taking pride in his work. Well done Freddie.</p> <p>Ellie's presentation is always top notch. She uses the squares in her maths book to lay out her numbers perfectly. She takes pride in her presentation and always tries her best. Good work Ellie, keep it up!</p>
<p><u>Puma Year 6</u></p>	<p>Henry and Darcey have recently brought in some fantastic historical artefacts to link with our WW2 topic. They both spoke to the class about what they had brought and allowed us all to further engage with the history topic to a new level. It was truly fascinating!</p> <p>Lily has been super engaged in our learning this week. She is the first to shoot her hand up in the air and want to share her views. She has shown a wonderful level of wider general knowledge when it comes to science and history. Keep up the excitement Lily, it's lovely to see!</p> <p>George has really taken to being a 'maxi-mate' this week. He has been making a huge effort to spend time with his new mini-mate at playtimes and lunchtimes. He has even made it a goal to try and support his mini-mate to overcome their fears! Keep being a fantastic role model, George!</p>
